

Stewardship

Even without substantial building repair projects, it costs about £2,900 per week to run St Mary's. Over the next few years, we're aiming to expand our children's work, outreach, music and facilities. In order to do this we need to get our finances in order.

Parish Share

Our contribution is increasing significantly. After our ministry cost, we have shared costs: training of clergy, Church Schools, administration, Diocesan mission and money for the National Church. For St Mary's to retain a full-time priest we must meet these costs.

Standing Order

Over 30% of the congregation donate by Standing order. This helps us plan our expenditure better. Amounts vary from less than £50 to £200 per month.

With your help we can meet the changing needs of the village for years to come.
